

Auto High Performance Universal Relay

CHINT® Automotive is an automotive relay manufacturer and supplier in China. We have been specialized in auto high performance universal relay over twenty years. Our products supplies for almost all brand of Chinese truck, Daimler & John Deere with OEM quality and competitive price. We look forward to becoming your long-term partner in China.

	Auto High Performance Universal Relay	Product Specification Intro
		JD01/02 Series
Description		
<p>CHINT® Auto High Performance Universal Relay is the basic Automotive Relay with High Life endurance, and huge quantity of massive production bring a very competitive price in order to bring a benefit to our customers. In contrast with JD12/14 serie,the CHINT® High Performance Universal Relay JD01/02 Series is with better material and process design. High performance feature meets some special usage such as pre-heating, front light, air conditions etc.. , and options are as follow:</p> <p>1.Bracket: without bracket,with metal bracket. 2.Relay: without/with resistor/with diode. 3.Contact form: N/O: contacts are normally openned, and closed once powered which usually used for simple function. CVT: Relays can choose one of the outputs. 4. Color: Black, Blue,etc...</p>		
Electrical Specification		Application:
Rated Working Voltage: 12V or 24V		
Rated Current: 40A or 40A/30A		
Normally Open (N/O) / Convert (CVT)		
Isulation Resistance \geq 100M Ω (500VDC)		
Pull-in Voltage: \leq 8.5V		
Release Voltage: \geq 1.2V		
Life Endurance: 100,000 cycles		
Working Temperature: -40°C-65°C		

Accord with RoHS, ELV, QC/T413-2002

Ordering Informaton:

Model	Elec-Spec.	Appearance	Performance	Contact Feature
JD101S	12V, 40A	Basic		4P, N/O
JD101S	12V, 40A	Metal BK		4P, N/O
JD101S	12V, 40A	Basic	Resistor	4P, N/O
JD101S	12V, 40A	Metal BK	Resistor	4P, N/O
JD101S	12V, 40A	Basic	Diode	4P, N/O
JD101S	12V, 40A	Metal BK	Diode	4P, N/O
JD201S	24V, 40A	Basic		4P, N/O
JD201S	24V, 40A	Metal BK		4P, N/O
JD201S	24V, 40A	Basic	Resistor	4P, N/O
JD201S	24V, 40A	Metal BK	Resistor	4P, N/O
JD201S	24V, 40A	Basic	Diode	4P, N/O
JD201S	24V, 40A	Metal BK	Diode	4P, N/O
JD102S	12V, 40A/30A	Basic		5P, CVT
JD102S	12V, 40A/30A	Metal BK		5P, CVT
JD102S	12V, 40A/30A	Basic	Resistor	5P, CVT
JD102S	12V, 40A/30A	Metal BK	Resistor	5P, CVT
